

## **INTRASYSTEMS RECOGNIZED BY MICROSOFT WITH THE 2012 NORTHEAST AREA CUSTOMER SATISFACTION AWARD**

**July 19, 2012 | Madeline Doherty**

**Braintree, Massachusetts — July 19, 2012**—Last week, Microsoft proudly announced the 2012 East Region Partner Award winners during a ceremony at the Microsoft Worldwide Partner Conference (WPC) in Toronto, Canada.

“The global stage at WPC is ideally suited for recognizing this outstanding caliber of partners with Microsoft’s 2012 Field Partner Awards,” said Jack Braman, Vice President, East Region Small and Midmarket Solutions and Partners (SMS&P), Microsoft Corporation. “These partners have served their customers with such incredible focus, passion, and ingenuity this past fiscal year that we want to share how extraordinary they are.”

**IntraSystems, Inc.** was recognized with the **2012 Microsoft Northeast Area Customer Satisfaction Award**. The company was honored among the top Microsoft partners for providing outstanding solutions and services based upon Microsoft technologies, as well as fostering superior customer engagement in the East region. The Microsoft Northeast Area Customer Satisfaction Award recognizes partners who have provided exceptional customer satisfaction with Microsoft through outreach and participation across a range of customer focused activities.

“Being recognized by Microsoft with the Northeast Customer Satisfaction Award further solidifies the commitment and trust we provide to our customers by deploying world class Microsoft cloud and on-prem solutions,” said Paul Kunze, Principal Member of IntraSystems. “As a company, IntraSystems has grown our technical certifications across the board with Microsoft solutions due to customer demand. As a result, our Microsoft practice increased over 100% and continues to escalate at a record pace.”

Microsoft presents Field Partner Awards in 14 categories, with honorees selected from more than 200 organizations across the East Region. “As a dedicated leader in the East region for Customer Satisfaction, IntraSystems is incredibly deserving of this award,” said Jack Braman. “IntraSystems has a proven track record of consistent excellence in its service to commercial customers throughout the East region.”

IntraSystems is committed to providing the most specialized technology, resources, and sales to support our clients’ Microsoft infrastructure. IntraSystems has the skill set to build your virtualization practice based on solutions, such as Windows Server 2012 Hyper-V technology and Microsoft System Center 2012. In addition, IntraSystems possesses the expertise to deploy Windows 7 and Exchange migrations. Moreover, with experience and expertise in multiple fields, IntraSystems helps customers plan, deploy, manage, and support Unified Communications solutions based on Lync Server 2010.

### **About IntraSystems**

Since 1996, IntraSystems has empowered companies to deliver secure, on-demand access....anytime, anywhere. By assisting in the design, installation, security, and maintenance of networked technologies, IntraSystems enables corporations to focus on business growth while utilizing new technologies to enhance corporate productivity. Our mission is to provide secure application delivery, virtualization services and secure network infrastructure solutions centered on the principles of excellence, service, and quality. As a Microsoft Gold and Silver partner, Citrix Platinum Partner, Check Point Platinum Partner, and Juniper Elite Partner, IntraSystems recommends, customizes, and implements IT configurations for our clients.
