

INTRASYSTEMS RECOGNIZED BY CITRIX AS THE 2014 NORTHEAST PARTNER OF THE YEAR AWARD

March 1, 2015 | Madeline Doherty

Braintree, Massachusetts — March 1, 2015 — IntraSystems has been named the Citrix Northeast Partner of the Year at the Citrix Summit conference that took place January 12-14 in Orlando, FL.

CITRIX® Partner of the Year 2014 Northeast Area

“IntraSystems is honored to be recognized by Citrix as the **Northeast Partner of the Year**. Receiving this award confirms our dedication in providing customers of all sizes Citrix solutions to help them effectively use technology as a business advantage. Our long-standing relationship and commitment to Citrix has enabled us to keep our customers keep pace with the rapidly changing IT landscape and to give them the flexibility to address tomorrow’s needs,” said Paul Kunze, Vice President of Sales and Marketing at IntraSystems.

IntraSystems has worked closely with Citrix for over 17 years and has sustained Platinum Partner status since the program’s inception. Most recently, IntraSystems has been the first Northeast Platinum partner to achieve Citrix Specialist Partner in Virtualization, Mobility Management, and Networking for Apps and Mobile Security. With highly-trained certified engineers and sales personnel, IntraSystems has successfully integrated Citrix solutions into our product offerings which are based around virtualization, security, and infrastructure. With Citrix remaining a market leader in cloud, collaboration, networking, and virtualization technologies, IntraSystems remains committed to delivering Citrix solutions to our customers.

“The success of our partners is our top priority at Citrix and we are honored to recognize IntraSystems as a Citrix Summit award winner” stated Mike Fouts, Vice President of Channels and Field Marketing at Citrix. “The Citrix Northeast Partner of the Year presented to IntraSystems recognizes its outstanding achievement as a Citrix channel partner in the Northeast.” We look forward to working with their team and our continued partnership in the years ahead.”

About IntraSystems

Since 1996, IntraSystems has empowered companies to deliver secure, on-demand access....anytime, anywhere. By assisting in the design, installation, security, and maintenance of networked technologies, IntraSystems enables corporations to focus on business growth while utilizing new technologies to enhance corporate productivity. Our mission is to provide secure application delivery, virtualization services, and secure network infrastructure solutions centered on the principles of excellence, service, and quality. As a Citrix Platinum Partner and premier partner to many leading vendors in the industry, IntraSystems recommends, customizes, and implements IT configurations for our clients.
